

MARCH 2007

Welcome to the latest Farnborough RFC Minis & Juniors newsletter. Having gone through the frozen pitch part of the season (and we even had some snow this year) we are now in the midst of the flooded pitch season where washing machines are never idle and waterwings might seem an appropriate kit item !

The purpose of this newsletter is to let you know (or remind you) about the club, ask for your help and support with what we do and let you know about some of the social forthcoming events being planned.

Do you know that Farnborough Rugby Club Minis & Juniors is staffed entirely by volunteers ? All of the coaching and administration staff that work with the groups throughout the year are all doing it for their love of the game and to provide a safe place for your children to learn and play rugby.

We are starting to think about next seasons Committee. A number of personnel are standing down after a number of years of service to the Club. We have been lucky to receive applications for some of the posts (to be ratified at the AGM) but still have vacancies. Interested ? Why not find out more ?

FRFC M&J Tag Rugby Festival 2007

One of the highlights of recent years has been the local schools Tag Rugby Festival and this year is no exception. Planning has already started for this years event which will take place on Sunday 13th May 2007. We need volunteers to help on the day with marshalling, program selling, raffles, refreshments and also to help now with the organising of the event. Would you be willing to help ? Contact Derrick Burgess now for more details.

PRESENTATION EVENING : Our End of Season Event is scheduled for **SATURDAY 21st APRIL 2007**. Please put a note in your diary now !! This is the highlight of the season for the children and coaches as we celebrate the achievements of the children and recognise our rising stars.

Under 10's – School Year 5

Do your children have any friends currently in Year 5 that would like to play rugby ?
Do you have any friends with children currently in Year 5 that would like to play rugby ? (Nonot the friends the children !!)

We are desperately seeking new players for this key age group. Spread the word !

If your children could ask their teachers if they would be prepared to hand out our club leaflets that would be great. We have plenty and just need to get them through the doors. The U10 age group is an exciting one to be in – the players play full contact rugby and the game starts to look like it does on the TV.

If you can help please contact Graham Burgin (see below) as soon as possible.

Thank you for your continued help and support !
